About the Free Church

The Free Church of Scotland is committed to the proclamation and furtherance of the Christian faith in the nation of Scotland and beyond.

We believe that faith in the person and works of our Lord Jesus Christ is humanity's greatest need, since it is only by His perfect sinless life, sacrificial death on a cross, and bodily resurrection from the dead that we can be reconciled to God and granted eternal life.

Safeguarding

The Free Church of Scotland has a Christian care for the welfare of each individual and seeks to make the Church a safe place for all.

In particular, the Church seeks to protect and safeguard all those who are especially vulnerable, both children and vulnerable adults, with whom it comes into contact through its activities and services.
